

Peripheral Nervous and Neuromuscular Imaging

Program

SSNR Educational Course 2019

Swiss Society of Neuroradiology

Saturday, November 16, 2019

Inselspital Bern, Auditorium E. Rossi

educationalcourse2019.congress-imk.ch

Dear colleagues

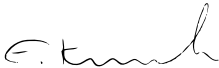

We hereby invite you to this year's **Educational Course of the Swiss Society of Neuroradiology SSNR**, which will take place on **November 16, 2019** at the **Inselspital in Bern**.

The program will be devoted to the field of **Peripheral Nervous and Neuromuscular Imaging**. Besides general anatomical aspects and practical hints in neuronal imaging, participants will get an overview on plexus-MR-neurography and peripheral-nerve-lesions, neuromuscular- and cranial nerve- imaging and their pathologies.

We were able to engage excellent speakers and prepared an attractive and practical program for this more and more upcoming topic for our daily work, which should be of interest not only for radiologists and neuroradiologists, but also for neurologists, neurosurgeons or plastic-/hand-surgeons.

We look forward to welcoming you in Bern on November 16, 2019!

For the Scientific Committee

PD Eberhard C. Kirsch, MD
President Scientific Committee

Prof. Jan Gralla, MD
President SSNR

GENERAL INFORMATION

Date Saturday, November 16, 2019

Congress venue University Hospital Bern - Inselspital
Auditorium Ettore Rossi, Entry 31B
Freiburgstrasse 15a | 3010 Bern

Scientific committee PD Eberhard Kirsch, MD | President
Olivier Scheidegger, MD

Registration Please register online via the congress website:
ssnreducationalcourse2019.congress-imk.ch

Registration fees	Online until 15.11.2019	Onsite
Member SSNR	80	120
Non member	120	160
Assistants, Students, MTRA, Nurses	50	80

Fees in CHF, subject to modifications

Cancellation policy **IMK** must be informed about cancellations in written form until October 19, 2019. We will be able to reimburse 50% of the congress fees. After October 20, 2019 no refunds will be made.

Confirmation of participation The confirmation of participation will be sent after filling in the feedback form.

SSNR PARTNER COMPANIES 2019

SSNR Premium Partner Companies 2019

SSNR Partner Companies 2019

08:50-09:00

Welcome

Eberhard Kirsch, Basel | Jan Gralla, Bern

09:00-10:00

Session I: Introduction

Moderator: Eberhard Kirsch, Basel | Jan Gralla, Bern

09:00-09:20

Anatomy of the Peripheral Nervous System

Eberhard Kirsch, Basel

09:20-09:40

"What do we expect from imaging" – a hand surgery perspective

Jean-Yves Beaulieu, Geneva

09:40-10:00

MR- Imaging for Peripheral Nerves: practical aspects, physics, protocols and postprocessing

Olivier Scheidegger, Bern

10:00-11:10

Session II: Entrapment Neuropathies

Moderator: Christoph Stippich | Isabel Wanke, Zurich

10:00-10:20

Entrapment neuropathies – localization, clinical presentation, non-imaging evaluation

Kai Rösler, Basel

10:20-10:40

Ultrasound evaluation of entrapment neuropathies

Thomas Hundsberger, St. Gallen

10:40-11:10

MR Neurography of entrapment neuropathies

Gustav Andreisek, Münsterlingen

11:10-11:30

Coffee break

11:30-13:10

Session III: Peripheral Nerve Lesions (tumor / trauma) and Generalized Neuropathies (dysimmune / hereditary)

Moderator: Roland Wiest, Bern | Thomas Egelhof, Basel

11:30-11:50

Introduction – pathology, clinical presentation and non-imaging evaluation.

Andrea Humm, Fribourg

11:50-12:10

Ultrasound evaluation of Peripheral Nerve Lesions

Ansgar Felbecker, St. Gallen

12:10-12:40

MR Neurography of generalized neuropathies

Philipp Bäumer, Altötting, DE

12:40-13:10

MR Neurography of peripheral Nerve lesions

Roman Guggenberger, Zurich

13:15-14:00

Lunch

14:00-15:00

Session IV: Neuromuscular Imaging

Moderator: Pascal Mosimann, Bern

14:00-14:40

General clinical overview and MR Imaging of neuromuscular diseases

Olivier Scheidegger, Bern

14:40-15:00

Neuromuscular Disorders: do we need Cerebral Imaging?

Roland Wiest, Bern

15:00-15:20

Coffee break

15:20-16:00

Session V: Imaging of the Cranial Nerves

Moderator: Karl Olof Lövblad, Geneva

15:20-16:00

Imaging of the Cranial Nerves I - XII

Christoph Ozdoba, Bern

16:00-16:30

End of Course | Coffee in reception hall

TRAVEL INFORMATION

University Hospital, Inselspital Bern

Auditorium Ettore Rossi (Hörsaal 1, Entry 31B)

Freiburgstrasse 15a

3010 Bern

Public transport

Arriving by public transport, take bus nr. 11 or postauto nr. 101 from the main station (Bahnhof SBB) to the station „Inselspital“. Follow the signposts „Auditorium Ettore Rossi (Hörsaal 1, Entry 31B)“. Timetables of buses and trains are available on: www.sbb.ch

Privat transport

If you are arriving by car, take the exit „Forsthaus“ on the motorway A1, then follow the signposts „Inselspital“ and „Insel-Parking“. At the Inselspital, signposts will lead you to the „Auditorium Ettore Rossi“ (Hörsaal 1, Entry 31B). Please note the limited number of parking spaces on site (use the parking area).
